

# American Sommelier Group Rate Program

---

American Sommelier is happy to offer group rates on tuition to employees of businesses in the hospitality industry. The more employees that enroll, the more you save. Discount levels are as follows:

# of Employees Enrolling	Discount on Tuition
3	5%
4	10%
5+	15%

Please review the terms and conditions of our group rate program:

- Students must all be employed by the same corporate entity.
- The relevant entity must be a restaurant, bar, wine retail location, or other establishment within the hospitality industry.
- Group rates may not be combined with other discounts that the student may be eligible for
- Tuition may be paid by the employer or each individual student.
- Students who accept the group discount must pay tuition in full before the first day of class.
- Tuition is non-refundable should the student drop the course. The student is entitled to re-enroll in a future session—beginning where they left off—within one calendar year of the start date of the original session.
